Be - Past Simple - Ushtrimi 1

Fill in the blanks · A2+ · Pre-Intermediate · Gramatikë

Practise **was** and **were** as simple past forms of **be**. Note: Because apostrophes can sometimes cause technical matching errors, it is better to use the full form when completing the gaps. If you use a shortened form, both the straight apostrophe (') and the curly apostrophe (') are accepted.

Use **be** as the main linking verb in the simple past. Complete the sentence with **was** or **were**. For negative answers, the full form and both straight- and curly-apostrophe short forms are accepted.
