Practise **had** for possession and situations in the past. Note: Because apostrophes can sometimes cause technical matching errors, it is better to use the full form when completing the gaps. If you use a shortened form, both the straight apostrophe (') and the curly apostrophe (') are accepted.

Use **had** as the main verb for possession and everyday situations in the past. For negative answers, the full form and both straight- and curly-apostrophe forms are accepted.
