### Have - Past Simple - Ushtrimi 3

Fill in the blanks · A2+ · Pre-Intermediate · Gramatikë

Practise past simple **had** forms in clear everyday contexts. Note: Because apostrophes can sometimes cause technical matching errors, it is better to use the full form when completing the gaps. If you use a shortened form, both the straight apostrophe (') and the curly apostrophe (') are accepted.

Use **had** as the main verb for possession and everyday situations in the past. For negative answers, the full form and both straight- and curly-apostrophe forms are accepted.
