Be - Present Simple - Ushtrimi 2

Fill in the blanks · A2+ · Pre-Intermediate · Gramatikë

Complete simple present sentences with the correct form of **be**. Note: Because apostrophes can sometimes cause technical matching errors, it is better to use the full form when completing the gaps. If you use a shortened form, both the straight apostrophe (') and the curly apostrophe (') are accepted.

Use **be** as the main linking verb in the simple present. Complete the sentence with **am**, **are** or **is**. For negative answers, the full form and both straight- and curly-apostrophe short forms are accepted.
