Complete simple present sentences with **do** or **does**. Note: Because apostrophes can sometimes cause technical matching errors, it is better to use the full form when completing the gaps. If you use a shortened form, both the straight apostrophe (') and the curly apostrophe (') are accepted.

Use **do** as the main verb in the simple present. Complete the sentence with **do** or **does**. For negative answers, the full form and both straight- and curly-apostrophe short forms are accepted.
