Future Forms - Future Continuous and Future Perfect - True or False Exercise 6

True or false · B1 - Intermediate · Gramatikë

Test your understanding of the future continuous, future perfect, and future time clauses. Note: Because apostrophes can sometimes cause technical matching errors, it is better to use the full form when completing the gaps. If you use a shortened form, both the straight apostrophe (') and the curly apostrophe (') are accepted.

Read each statement and choose True or False.

- The future continuous describes an action that will be in progress at a specific future time.
